WHAT IS REPAIR DAY?

Every October we celebrate the power of repair to bring our communities together, reduce our impact on the planet and teach new skills.

Whether you're a fixer, community organiser, tinkerer, maker, repair business, campaigner or simply a fan of repair, there are plenty of ways to join in.

In 2026, we celebrated Repair Day on 17th October with the theme 'repair brings us together'.

The next repair day is on the 16th of October 2027.
